W. M. Cusick, county commissioner of Flathead County, is one of the best known men of this region and one who deserves the confidence he inspires. He not only has made a name for himself in politics, but has also proven his worth as a business man and rancher, and owns a fine rural property five miles outside of Kalispell. He was born at Burbank, South Dakota, a son of Benjamin and Emma (La Dien) Cusick, both of whom were of French ancestry, his birth taking place on December 16, 1878.

Growing up at Burbank, South Dakota, W. M. Cusick attended its schools and then put himself through the State University, from which he was graduated in 1896. With the close of his school days Mr. Cusick entered the mercantile field and successfully conducted a large dry goods store at Burbank until 1901, when he sold his business and bought his present ranch, on which he has since been occupied with the various branches of agricultural industry. Since becoming the owner of this property Mr. Cusick has put in some very valuable improvements which enhance its value and aid in his operation of it.

In 1905 Mr. Cusick was married to Miss Helena Nye, and they have one daughter, Velma. Mr. Cusick is a Mason. The democratic party receives his support, and he was elected county commissioner on its ticket. A man of high character, Mr. Cusick transacts the business of his office in the same manner as he does his personal affairs, and the county is the beneficiary of such action. Owing to the fact that he is well educated and that his judgment with relation to men and affairs is sound, his advice is often sought, and his policies followed. Possessing as he does a strong personality and genial nature, Mr. Cusick is sure to have a large following and the county is to be congratulated that a man of his influence is so conscientious and upright a man and public servant. Few movements are inaugurated and carried to a successful completion without his co-operation, and he is responsible for much of the advancement shown in recent years. Having lived at his ranch in Flathead County since coming to Montana,

he is naturally deeply interested in all that pertains to this region, and may be depended upon to give it a fair and impartial administration in his present office or in any other to which he may later be elected.

Good Morning Robert

Can't remember if I thanked you for the info. you sent me. Thanks.

I haven't had a chance to look at it closely. Just a glance. But there is a lot I don't have.

How much would you like on Kathleen Cusick. Your GGG Grandmother. Kathleen Mother was a sister to my Grandmother. There Father was Abraham LaDue/Ladoux/Ladue. Various spellings on it. He was from Canada. I have a good story on him, also.

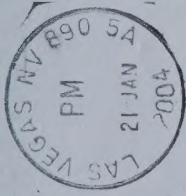

Let me know what you would like.

Don

Dear Mr. Dutcher,

By way of introduction, my name is Robert Jackson, a distant relative of yours on your grandmother's side of the family. I am a retired University of Minnesota professor now living alone in Las Vegas, Nevada, at the age of 77. I have spent the last two years tracing distant family relatives in an effort to update both ancestral and current data.

A number of years ago, Helen DeBuhr Little and I shared some information on the DeBuhr side of the family. It is through her data that I was able to obtain your name. I understand that she has since passed on and apparently her information and efforts at family tracing is no longer available. In any case, I have turned my recent efforts to the DeBuhr side having garnered much information on the "English" side of my ancestry over the past several years.

Perhaps you can provide me with some information on your side of the family. I would be happy to begin with missing information to which you probably have direct access. Let me show you, briefly, what I have and what I need. Incidentally, if you would be so kind and can utilize the E-mail route, my E-mail address is Stoneyjax75@AOL.com. I would be pleased to forward my efforts to you in return.

I believe that concludes the information lacking on your grandparents side. If you have an E-mail address I would appreciate receiving that as well. I promise I won't burden you with a lot of other details, but if you have the residences of any of your distant relatives from your grandmother's brothers or sisters, i.e. Algert, Helen, Martin and Dorothea, that would help too.

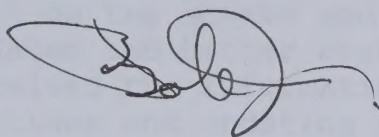

In any case, Jason, I am indebted to you for whatever you can supply. I should tell you that our connection goes back to your great grandfather, Martin DeBuhr. Martin's sister was named Marie DeBuhr, the first of the DeBuhrs to be born in the United States and was also my grandmother.

I am trying to leave a little of my family history to my children and grandchildren so that they might better understand their roots. Fortunately, my father, Olin DeBuhr Jackson,

my grandfather, Orin P. Jackson, and my great grandfather, John A. Jackson, all kept diaries and provided me with much local information. Thanks to the internet, I am now able to locate others who have played an integral part in my search. The DeBuhr side in Germany has been scarce and difficult to find. John DeBuhr, Sr. and Gertrude Blumenfeld, your great, great grandparents arrived in this country in the spring of 1869, and my grandmother, Marie DeBuhr was born here in the fall. They settled in Illinois lived there until 1891, then moved to the Missouri river valley west of Canistota, S.D. I have a few leads on the Germany side but not much else at this time. Two wars were quite harsh on digging out genealogical information.

Thanks for your time, Jason, and I hope to hear from you.

Most sincerely, your distant relative,

Robert L. Jackson

Hi, Donna- just call me "Bob." I have put together a mailing for you and a similar one for Bernice, your mother. I hope it gets to you in good condition. First, I have sent a genealogy which contains the information I have on the DeBuhr side of the family. The red notations (numerals) indicate a generation, with John A. DeBuhr and wife Bertha as generation 1. You will note that there are many missing facts: birthdates, locations, and current information on later generations. I am hoping that as you and Bernice examine the genealogy, you will be able to add some data. If you can, just make notations right on the sheets and mail them back to me. I will prepare an updated and better organized genealogy for you. Rich Grebel has received the information on his family and has agreed to do some corrections and updating for me.

Secondly, I have sent a copy of a section of a book my father prepared on the DeBuhrs. I have annotated his original with notes on information I have uncovered in my explorations.

Third, I will send under separate copy the descendants of Orin Porter Jackson and Marie DeBuhr. Since that will be my own family as well, that data is complete and verified. I see we have far more "cousins" than we dreamed of.

My son-in-law, Michael McCarty, has computerized some old family pictures and has printed some of them for me. I have a superb picture of John DeBuhr, my great grandfather, taken in about 1904.

If I can obtain multiple prints I would do so and make sure you have a copy if you are interested. I also have several pictures of Parker, South Dakota and the home that great grandfather DeBuhr bought when he retired from farming.

Lastly, you should take the time and have Bernice talk about the family and events from her life that she recalls. Do this with a audio tape of her telling her stories and sharing her past. I think she might really enjoy doing that.

I am sending her the same packet I am mailing to you with a different introductory note. Perhaps I will get a chance to drive back through South Dakota if I return to Minnesota this summer. I would love to meet you and your mom! Last summer I flew into Minneapolis and rented a car to visit a third cousin I located through the internet who live in Wauwatosa, Wisconsin. She had spent 40 years

researching that side of my ancestry and we have been exchanging new information ever since. She spent a good 20 years in Washington DC examining archival information. Quite unbelievable!

Anyway, let me know when the "stuff" arrives.

Best wishes and great reading,

Your cousin, Bob

PS. I just remembered that my first wife has a first cousin living in Sioux Falls. I know chances are small but maybe you know them?

Paul and Marilyn Fialkowski. I believe Paul was a music teacher in the school system there. Anyway, just thought I would mention it.

Hey, Donna. I just mailed the material to you and also to Bernice in Elk Point. Should be there by Thursday. I also mailed a short letter to Bernice explaining who I was etc. Let me know if things arrive okay. Fiddling with the computer today, I managed to print a copy of the picture of great grandfather John BeBuhr. I enlarged it but did not put it on photographic paper so this copy is not as clean as when on photo paper. You will notice it was taken at the Jackson Studio in Parker, South Dakota. My grandfather worked in photography a few years and this shot should be datd about 1904. The other picture I am sending is an enlargement of a 3x5 print which Michael scanned and printed. It was taken at the Parker home of John DeBuhr after his retirement from farming. Maybe with this size Bernice can identify those I do not know in the picture. Left to right:

Camilla Lawrence Jackson(my great grandmother), MarieDeBuhr Jackson (my grandmother), Elva Jackson Walker(my great Aunt),
? great grandmother DeBuhr?, ?????, ?????, Bertha DeBuhr Grebel, ?????horseback? or man? Martin DeBuhr?, Horseback boy? possibly my father? Any help would be appreciated here.

I'll send these to you and you can show them to Bernice. Perhaps she can help! I now can improve on the quality and can enlarge to 500% on the computer. I have several others you might be interested in.

One with great grandfather DeBuhr's farm and the prize working horses he owned.

What do you think??

Hi Bob, The family history and pictures arrived safely.....Its been a treat to read all this and see the photo's.....in fact, I just talked to my Mother tonite and she has rec'd her copy also. It has been so fun to sort this all out in my mind.....

Mother said she has a copy of a letter your Dad had written her some years ago about the family history. She was thrilled he shared with her It maybe a copy of the same things he had given you??

Mother said when I come next....we will go through all this and make copies and forward them on to you.....also if time allows(may have to do this in shifts!!) We will look at some boxes of old pictures and see what she may have of the DeBuhr side??

I know we looked a couple times at some boxes of photo's a few years ago!!!.....and it was a "mountian" of a job!!! So we will tackle what we can and see how it goes.

I'd like her to recall some of the history first then go into the photo's.....I like your idea of using a tape recorder.....so we shall see if we can make this all happen.....

Think I mentioned this before, but my sister and I are planning little 90th Birthday open house for Mom in March....(kinda better to take one thing at a time.) She didnt want us to do this... but we really felt after all these years we wanted to have an opportunity to celebrate in a special way.

Mom is good at remembering.....so this will be fun and we are both excited. And I will get back to you on our results.

I really appreciate you taking the time to mail this information to me and I love the photo of Great Grandpa or is it Great, great??? Whatever.....I love it.

My thanks for now.....Donna K.

Dear Mr. Weissman,

Good morning Bob,

My name is Robert (Bob) Weissman, Henderson, Nevada. I am a retired professor (retired from the University of Minnesota) now working on several projects that I have had no time to do.

I have been spending a lot of time on family history research. I have been spending a lot of time on family history research. I have been spending a lot of time on family history research.

I do realize that some of the dates and name spelling are different (ex: Bluminfeld or Blumenfeld) and I am sure your research is more correct. But this is what we had to go on from here.

My father, Otto David Weissman, was born in 1895 in Poland. I will be sending on the update of dates, births, and marriages and deaths to complete our side of the family tree.

I can give you names of family links.... so you'd be able to contact these folks and make an attempt to get more complete information from other branches.

I believe that my mother, Bernice, was born in 1905 in Poland. Mother and I have some of the information but not a complete record as far as date's etc. to make accurate information.

Thank you for your time and energy spent on getting this "Family history" put together. It's been so great to read and relive many parts of our family legacy.

As this time I am... I will be sending this other information on soon.

Since the birthday party is past.....Mom and I may be able to explore more family things.

Dear Ms. Weisemann,

My name is Robert L. Jackson and I reside in Henderson, Nevada. I am a retired professor (retired from the University of Minnesota) now working on several projects that I have had no time to work on for a number of years.

I have been spending the majority of time over the last three years researching my ancestral roots and the descendants of those roots. Your name, which appeared in my records as Colleen Ann Donahue, daughter of Edwin Arthur Donahue and Deloris K. Selby, granddaughter of Gladys A. DeBuhr and Lloyd Selby, and Great granddaughter of John DeBuhr Jr. and Kathleen Cusick.

My father, Olin DeBuhr Jackson, was the son of Marie DeBuhr (1869-1959) and Orin Porter Jackson, and thus the grandson of John DeBuhr, Sr. and Gertrude Blumenfeld. Thus the cousin connection I have with you.

I began this branch research about a year and a half ago, and, with the help of the computer and internet availability, have been able to bring up considerable information which was unavailable to my father when he started this project in the 1930's. I have contacted Richard Grebel, and received some updated information from him. He suggested I contact Donna Knutson, and, through her learned other important facts about the DeBuhr clan. She suggested that I might be able to continue adding information to my descendancy efforts by contacting a number of people on my list.

At this time I am interested in extending the information I have on descendants. I know this can be a bothersome thing to some folks but I am hoping to share the information I am able to get with other descendants. Here's what I have for you:

Gen. 4. Gladys Athalyn DeBuhr born 24 Oct 1899, died 19 Aug 1955
1st marriage, Lloyd Selby (date?)

Gen. 5 Deloris Kathleen Selby, born 14 April 1919
Married, Edwin Arthur Donahue (date?)

Gen. 6. Edwin Arthur Donahue born 27 Apr 1959
Married ? Date ? Children? Birth information?

Colleen Ann Donahue born 13 Aug 1960
Married Jeff Weisemann (date?)
Children? Birth dates? Locations?

Gen. 5 Venita Florence Selby, born 13 Apr 1917

1st Marriage, Lester B. Larson born (?)

Gen 6. Larry Larson born ??? Spouse? Children? Dates? Locations?

Robert Larson ??? Spouse? Children? Dates? Locations?

2nd Marriage, Chancy Olthoff Dates?

Thank you for your time to examine this sheet and make additions and corrections as you see fit. It is helpful to have current locations of families and Individuals. I will send a copy of this note to Venita Selby Larson as well.

Thank you for your time and effort. You may respond by Email if that is convenient, or by regular postal service.

Hi Robert

Thanks for the good info. I was missing some of that. Didn't know who John DeBuhr, parents were.

John and Kathleen had 6 Children. Gladys, John Edward, Gertrude. Bertha, Merle and Bernice. Merle is living in Texas and Bernice is living in S.D. Bertha died this past year.

Here is some Land Grants for Turner County, in 1883. Maybe you already have this

My Grandmother was a sister to Kathleen's Mother. In Other words Kathleen is a second cousin, of mine

Hi again, Just a quick note here to tell you my Step Dad passed away on Jan 3rd. He was 91 years young.....he and my Mom had been married nearly 20 yrs.

We are sad... but realize the Lord is kind in many ways....his health had been failing and the past year had been more of a struggle.

He and Mom have gone alot of places and done lots of things.....neither of them would have held on as long without each other. SO that is a compliment for both of them.

Keep in touch.....donna k

Ms. Colleen (Donahue) Weisemann

Dear Ms. Weisemann,

My name is Robert L. Jackson and I reside in Henderson, Nevada. I am a retired professor (retired from the University of Minnesota) now working on several projects that I have had no time to work on for a number of years.

I have been spending the majority of time over the last three years researching my ancestral roots and the descendants of those roots. Your name, appeared in my records as Colleen Ann Donahue, daughter of Edwin Arthur Donahue and Deloris K. Selby, granddaughter of Gladys A. DeBuhr and Lloyd Selby, and Great granddaughter of John DeBuhr Jr. and Kathleen Cusick.

My father, Olin DeBuhr Jackson, was the son of Marie DeBuhr (1869-1959) and Orin Porter Jackson, and thus the grandson of John DeBuhr, Sr. and Gertrude Blumenfeld. Thus the cousin connection I have with you.

I began this branch research about a year and a half ago, and, with the help of the computer and internet availability, have been able to bring up considerable information which was unavailable to my father when he started this project in the 1930's. I have contacted Richard Grebel, and received some updated information from him. He suggested I contact Donna Knutson, and, through her learned other important facts about the DeBuhr clan. She suggested that I might be able to continue adding information to my descendency efforts by contacting a number of people on my list.

At this time I am interested in extending the information I have on descendants. I know this can be a bothersome thing to some folks but I am hoping to share the information I am able to get with other descendants. Here's what I have for you:

Colleen Ann Donahue born 13 Aug 1960

Children? Birth dates? Locations?

Gen. 5 Venita Florence Selby, born 13 Apr 1917
1st Marriage, Lester B. Larson born (?)

Gen 6. Larry Larson born ??? Spouse? Children? Dates? Locations?

Robert Larson ??? Spouse? Children? Dates? Locations?

Thank you for your time to examine this sheet and make additions and corrections as you see fit. It is helpful to have current locations of families and/or individuals. I will send a copy of this note to Venita Selby Larson as well.

Thank you for your time and effort. You may respond by Email if that is convenient, or by regular postal service.

About Baden, Germany Emigration Index, 1866-1911

In 1814 the Congress of Vienna recognized Baden as a sovereign member of the German Confederation. For more than 100 years following this event, Baden would be involved in both political and economic turmoil, which led many people to leave the area. While it may take months or years to find an American document stating where an immigrant ancestor was born or resided in Germany, searching emigration records may produce that information in far less time. This index, compiled by the Badischen Generallandesarchiv Karlsruhe and microfilmed by the Genealogical Society of Utah, contains the names of over 28,000 persons who left Baden between 1866 and 1911. Each entry includes the emigrant's name, residence or place of birth, and the year of departure. Wives were not indexed separately unless they traveled alone or with their children. Children who left with one or both parents were not indexed. Some cards state that the person whose name is listed was traveling with "five persons" without naming each individual. The emigration lists were sent from district offices scattered throughout the state of Baden, to one central office. From these lists a card index was developed. This electronic index was translated and keyed from the microfilmed copy of the records. Anyone with ancestry based in this German state should find these records interesting.

Not everyone who left Baden applied for permission to emigrate, but others of the same surname may have emigrated at another time. When tracking an ancestor with an uncommon surname who can't be identified in the database, it may be worthwhile to search the church records of the towns where others with the same surname originated.

Since Germans often were known by a middle name (some were given three middle names), it's a good idea to review the record of each person listed under an ancestor's surname. Someone known as George Bower in the United States may be appear in German records as Georg Bauer or Baur. Michael Palmer could be listed as Georg Michael Balmer.

Copies of the original emigration records may be obtained from the Family History Library in Salt Lake City.

Interesting, my great grand parents came from hanover germany in the 1800s. My grand dad, Meent Harms DeBuhr was born February 8, 1892 at Phelps City, Mo. son of Albert Arnts and Anna H M (Jergets) DeBuhr. My grandfather and his family moved to Summer County Kansas, where most of the family still live. All my grandfather's family were wheat farmers of a large area of the county.

THE DEBUHRS

THE FOLLOWING SKETCH IS ABSTRACTED FROM OLIN DEBUHR JACKSON'S UNPUBLISHED BOOK, JUST PLAIN FOLKS, WHICH HE PREPARED AS PART OF THE FAMILY HISTORY. FOOTNOTES HAVE BEEN ADDED FROM OTHER SOURCES LOCATED THROUGH THE INTERNET, RESEARCHED MATERIALS, OTHER FAMILY MEMBERS AND ASSOCIATES.
RLJ.

"Much information about this family, as other families, is missing because no one ever took the trouble to get it and write it down. That the DeBuhrs were of solid German stock is certain, but they were not given to talking much about their life in the old country (1). John DeBuhr, Senior, and his wife, Gertrude Blumenfeld, came to America at the time of the Civil War (2). They established their first home in the southern part of Winnebago County, Illinois. John found work there on farms as a day laborer. Here all five of their children were born."

"The second child, Edward, died while a small baby. The other children grew to maturity there. Marie, the oldest child, was the mother of the writer."

"John's older brother, Edward, known in the family as "Uncle Adie" had preceded them here by several years and helped them get established. As neither could speak a word of English, his help was invaluable. He, "Uncle Adie," remained a bachelor all his life and during the last years of his life made his home with John and Gertrude."

"Another brother, Claus (Klaus) DeBuhr, must have come to America about the same time. The first we learn of him, he is living on a farm near Chancellor, South Dakota (3). He married and raised four children (4). Only one of these left descendants, Hattie. Hattie married Henry Weishan and two daughters were born to them. These girls

were left as orphans while still in their early teens. Grace, the oldest, made her home with the Orin Porter Jackson family in Parker, South Dakota. From the age of sixteen until her marriage to Adney Melvin in 1908. Her three children married and raised families. Their last known whereabouts was in the state of Washington. The other daughter, Mona Weishan, never married. As a girl she lived for several years with the Alexander L. Grebels in Parker, South Dakota. She taught school in Omaha, Nebraska for many years, And was there at the time of her death in 1953.”

“Edward, Claus, and John DeBuhr were sons of John A. DeBuhr and his wife, Bertha (5). There were at least three other children in this family, but only one brother, Reindt, is known by name. They all remained in Germany. Reindt had a son, Peter DeBuhr, who came to America and was a German Lutheran minister in several South Dakota communities during his lifetime.”

“Gertrude (6) was the only child of Martin Blumenfeld and his wife, Marie Agena. Marie died when Gertrude was still a small girl and her father subsequently married again. Gertrude was put out to work as a house maid at an early age. She never talked about it much but the inference is that she had a hard life as a girl. There were half-sisters and brothers who continued to live in Germany. Aunt Bertha DeBuhr Grebel-Cameron visited members of this family on several occasions, between wars (7). Two children of a half-brother, Martin and Marie Blumenfeld, immigrated to America in 1910. They found their way to members of the family in South Dakota. After a few months of familiarizing themselves with the English language as used in America, (they had learned it in school in Germany) both found employment in Sioux Falls, South Dakota. Later, in Minneapolis and St. Paul, Minnesota, they worked in department stores

as clerks. They never married but continued to live together all their lives. Martin died in St. Paul on December 4, 1963. Marie had preceded him by a few years. They are buried in St. Paul, Minnesota.”

“John DeBuhr, Senior, and family decided to move farther west in 1893. He rented land west of Canistota, South Dakota and began farming there. Martin and John, Jr., accompanied him. Later they rented some Missouri River bottom land just North of Burbank, South Dakota, and transferred their farming operations there. Bertha, their second daughter, had preceded them to South Dakota, and had become a Rural school teacher in a district just south of Parker, South Dakota. Here she met Alexander Grebel and they were married on April 6, 1893. This date was the first Anniversary of her sister Marie’s marriage to Orin Porter Jackson. The Grebels never had children of their own. They did adopt and raise a son belonging to John DeBuhr, Jr. and his wife. After the death of Alexander Grebel(8) in 1938, Bertha married a widower, A. J. (Sandy) Cameron, an old family friend from Illinois. Both John DeBuhr, Jr. and Martin DeBuhr married and raised families.”

“About 1900, John DeBuhr, Senior, found a farmstead of about 300 acres to his liking and purchased it. It was located two miles east of Burbank, nine miles northwest of Elk Point, South Dakota. After the marriage of Marin DeBuhr in 1907, John gradually surrendered the management of the farm to him, finally deeding him half of it. Eventually they bought the Parker home of Orin and Marie Jackson, which was in the Same yard as the Grebel home and here they spent their last days, with brother Edward, All three are buried in the Parker cemetery.”

NOTES:

1. In examining the United States Census data for 1880 in Rockford, Winnebago, Illinois, John and Gertrude both have listed Hanover, Germany as their birthplace. Both have also listed Hanover as the birthplace of their parents. Apparently the DeBuhr's were well established in that locale. In conversations with people familiar with that area of Germany, they have offered some evidence that the ORIGINAL DeBuhrs were residents of Holland, primarily because of the spelling. Further, at an early date, there was much movement of persons across the border both to Germany and from Germany. With such the case, one might infer that ancestor's of our families could have had roots in Holland at some point.
2. John and Gertrude arrived in the United States in the Spring of 1869. It may be possible to find the ship's manifest at some point in time. There were many ships arriving from European countries at this time but unfortunately, we do not know the particular one which they used. Further work is needed here.
3. Records of Land grants for Turner County in 1883 show the following for Klaas J. DeBuhr: three parcels of 80, 40.9, 40.83 acres located at Meridian 05, township 098, range N 052 W, Section 003, Case Type 251101 PA Docid 3085, on February 8, 1887. For John DeBuhr: 2 parcels of 50.76 and 49.3 Acres. Located at meridian 05, township 098, range N o54 W, section 007, CaseType 272002 PA Docid 1669 on March 10, 1883.
4. Claus' wife is not known. No dates have been found for births, marriages etc
5. John A. DeBuhr's wife Bertha's maiden name is not known. Neither are the birth and marriage dates. Record of birth dates and marriage dates for the children and families are also missing.
6. The 1880 United States Census from Winnebago County lists John and each member of the family, including Edward. However, they list Gertrude as "Grata" and also list Bertha as "Bertie." It appears that the census taker may have had some difficulty in understanding the families verbal interchanges, or John used nicknames. Also, Marie, my grandmother, is listed as "Mary."
7. Of the numerous trips to Germany for Bertha, there seems to be no written information on who, when, and where she went to see. I can recall my parents talking about her visits and there always seemed to be a shade of secrecy as to those questions. If anything written shows up regarding these visits, i.e. letters, diaries, newspaper notes related to the journeys, they might provide us with important data for continued research. I do recall Aunt Bertha taking "Joy" with her on her last journey there. My assumption is that "Joy" is Joyce Grebel Haas. I am wondering if anyone has any information there from her trip some years ago? I would guess it would have been about 1951 or 1952.
8. I can remember several trips to Parker as a young boy and visiting at Aunt Bertha's and Uncle Al's place. Bertha and Alexander loved to play little tricks on the children and

I can recall how amazed we were at their shenanigans. They also had an old Edison Victrola which really was a fascination. I just recalled the other day when talking to a friend, mentioning one of the really great records Aunt Bertha had. Of course, today it would not be "politically correct" to say it was great! It was a record of dialogue between two black men going under the name, The Two Black Crows. They were like the more recent Amos and Andy shows. I'm sure we wore out those records. Interestingly, I never had a phonograph until I bought one after my Army stint in 1947! An old 78rpm since 45's and LP were not yet available to me.

Dear Ms. Knutson:

By way of introduction, my name is Robert Jackson and I reside in Henderson, Nevada. I am the son of Olin DeBuhr Jackson, who in turn was the grandson of John DeBuhr, Sr (1841-1923) and Gertrude Blumenfeld (1849 - 1932). I retired from the University of Minnesota professorship I held for 34 years and moved to a different climate here in the Las Vegas Valley. For the past three years I have been working on genealogy data through the internet and have found the research fascinating. My father began to gather information back in the early 1930's and I decided that there is much more information available than what he found through letters, family bibles and word of mouth. Although his work was meticulously gathered and verified, I decided to try to update what he had started by using an internet search mode and accessing official town records. I located Mr. Rich Grebel's address through a white pages research and sent him a letter detailing what information I needed. The DeBuhrs represent the final leg of my father's ancestry and has been the most troublesome in trying to locate both current families and ancestral data in Germany.

I do have some information on both of these searches which I would gladly share with you if you are at all interested in it. Rich sent me your EMail address and suggested that you might have some information that might be helpful to me.

If you have the time or opportunity, send me your mailing address and I will send material that might be of interest to you. Regarding your direct line descent, I have the following: John DeBuhr, Jr. and Kathleen Cusick (Both buried in the Parker, South Dakota cemetery), daughter Bernice A DeBuhr and John L. Gilkison; Donna Evon (Gilkison) Knutson, born, March 10, 1942 and _____ Knutson;

Julie Kay Gilkison, born January 20, 1952. I have no other information on your family, or that of your sister, Julie.

I received some information from Helen DeBuhr Little, a daughter of Martin DeBuhr. But that was some time ago and now that she has passed on, I have no other contacts there, as yet.

If you would send me your mailing address, I will send you the information I currently have on the DeBuhrs.

My primary motivation is to leave my children and grandchildren the best information I can on their Genealogy. I do think that a

knowledge of their "roots" is important information. I recently discovered the imigration information on my great,great grandfather, John DeBuhr. My one or two German contacts have suggested that the name is really Dutch. Records show that John and his wife were both born in Hanover, Germany. The contacts have tld me that there was much movement across the Dutch and German borders and it was not unusual for that period of time. I am still pursuing that.

Thank you for reading this through and I hope that we might open new doors of communication. My Email address is Stoneyjax75@aol.com. I may also jot a line to your mother as Rich told me she is still living in Elk Point, South Dakota.

My address Is:

Dear Mr Jackson,

I am thrilled to have more information about "our family" history.....so happy to have you share whatever you can.

Yes, my mother Bernice is living in Elk Point,SD and will be celebrating her 90th birthday in a couple months. She has some things written down over the years but I do not think any of her information has documents ...but just things her parents, Aunts or Uncles have shared

Mom still enjoys this history so very much. Very proud of her German heritage.

So you have a great gift from your father to share with your family and happy you are willing to share with us too.

Your contact with Rich Grebel is a great one. We do share email and get together every now and then when family things come up. I feel very fortunate to have really great cousins living rather close and we try to keep in touch.

Let me know if I can be of help to you or maybe Mother and I together can help answer any questions.

Thanks again for your note, and great to hear from you. Donna K.

Here is my address: Donna Knutson 2021 S Spring Ave, Sioux Falls, SD 57105

By way of introduction, my name is Robert L. Jackson, great, great grandson of John A. DeBuhr, born in Germany, and great grandson of John DeBuhr, Sr. born April 25, 1841 and married to Gertrude Blumenfeld. I am a retired University professor, living alone in Henderson, NV. at age 77. I have been working on other dimensions of my genealogy, specifically Jackson, Lawrence and the rest of the "english" line. Their records are quite complete and I have successfully validated most of that ancestry back to the middle ages.

I have been stumped in trying to trace back the German ancestry as apparently my father was also stumped. In perusing the DeBuhr on Ancestry.com I found your note on the John DeBuhr heading. I am wondering, since you submitted that much to Ancestry.com if you have been able to overcome the problems of two wars, and found any trace of those of the DeBuhr clan that stayed in Germany when the DeBuhrs emigrated to the U.S.? My only record shows a Reindt DeBuhr, a Bertha DeBuhr and a Bernjie DeBuhr as remaining in Germany.

I recall when my great aunt Bertha DeBuhr Greble Cameron was still alive that she made many trips to Germany to see "family" but no where can I find information on the relatives towns or locations. I also know that Helen DeBuhr Little, a cousin of my father had done some work on genealogy and the last time I talked to her she had next to nothing on those who remained in Germany. If you have any information from your Bernice Gilkinson on the past history of that line, I would be so indebted to you. I would be glad to share anything I have with you if you are interested. Thank you for your kindness in reading and responding to this note:

Here is some Land Grants for Turner County, in 1893. Maybe you already have this.

My Grandmother was a sister to Kullback's Mother in other words Kullback is a second cousin of mine.

History

TURNER COUNTY

The surface of the county is gently rolling. The creek and river bottoms are generally level and constitute a part of the most valuable grain and grazing lands. The soil is a rich, black loam, varying in depth from two to four feet, with a clay subsoil capable of retaining moisture for a long time.

The county is well watered. The Vermillion River runs through the entire east side of the county and its bottom lands, which average several miles in width are very fertile. The west fork of the Vermillion enters the county near the northwest corner, runs in a southeasterly course and joins the main river near the centre of the county. Turkey Ridge Creek rises in the northwestern corner, flows through the entire county and empties into the Vermillion near the southeast corner. The valley of this creek, which averages from three to ten miles in width, is unexcelled for fertility, as is attested by the almost countless number of grain stacks to be seen throughout its entire length.

Swan Lake, situated near the county seat, is a beautiful sheet of water, about 1 1/2 miles long and 1/2 mile wide. It is surrounded by high, dry banks and has a sandy bottom. The shores are lined with bowlders and pebbles. Near the centre of the lake is a small island covered with trees which adds much to its beauty. The lake is well stocked with various kinds of fish, and in the spring and fall countless numbers of wild fowl make it a common resort, and furnish abundant amusement for sportsmen.

The mineral resources of the county are undeveloped, but there is sufficient limestone for the use of the people for years; and the carbonate of lime in the form of imperfect chalk also exists in unlimited quantities and can be easily obtained. In this connection, it may be mentioned that several houses in the county are plastered with a material which is called native lime. It has the appearance of slacked lime, and is found usually as a subsoil in low ground. It can be reached by removing the soil and, as it is found in moist places, is soft and easily shoveled out. This substance mixed with sand and hair, in the usual proportions, makes a good mortar, much resembling that made of ordinary lime, a little darker but fully as tough and durable.

ORGANIZATION. Turner County was formed by an act of the ninth session of the

Legislative Assembly, approved January 1, 1871. It is bounded on the north by McCook and Minnehaha, on the east by Lincoln, on the south by Clay and Yankton, and on the west by Hutchinson. It comprises eighteen congressional townships, equal to 414,720 acres.

The following extract from the act incorporating the county gives the names of the first officers and the location of the county seat.

William W. Aurner, Valentine P. Thielman and Lewis H. Elliot shall be County Commissioners and C. S. Scott shall be Register of Deeds of Turner County, and the county-seat is hereby located on the southeast quarter of Section 9, Town 97, Range 55, and shall be known and designated as Swan Lake City.

The first general election was held in the fall of 1871. There were five votes polled, and some malicious persons claimed that two of them belonged to Yankton County.

Present county officers: County commissioners, T. C. Elce, Jr., I. N. Monk, I. M. Roper; Register of Deeds, C. M. Pier; Treasurer, J. B. Beebe; Sheriff, I. H. Newby; Judge of Probate, O. C. Stuart; Assessor, J. J. Graber; Superintendent of Schools, L. N. Alberty; Coroner, A. L. Peterman; Surveyor, Joseph Allen; Clerk of Court, Vale P. Thielman; Justices, J. Allen, W. W. Nutting, W. Negus, O. Still.

EARLY HISTORY---The first settlement of Turner County dates back to July, 1869, when claims were taken at Swan Lake by W. W. Aurner, Colonel G. C. Moody; S. H. Elliot, F. C. Hills and G. M. Ripley.

In September of the same year, the first house in Turner County was built by W. W. Aurner. It was made of a huge pile of sods, finished inside with rough cottonwood lumber. The first white woman that made this county her home was Miss Helen N. Batchelder. This lady and her sister, Miss A. J. Batchelder, came into the county with Mr. Aurner, their brother-in-law. Mr. Aurner returned east for the balance of his effects and the first named lady was installed as housekeeper for several days. It is presumed that her duties as such, kept her sufficiently employed, as she found no time to visit her nearest neighbor who was only twenty miles distant. Mr. Aurner and family were the only settlers here until the next summer (the parties taking claims at the same time failed to make a personal settlement), when they were joined by Vale P. Thielman, C. S. Scott, and several others. In 1872 Messrs. Frederickson, Nilson, Kier, Thompson and many others, followed and the prairie was dotted here and there with white-covered wagons and settlers' cabins.

Lois J. S. Scott was the first child born in the county. This event took place at Swan Lake in May, 1871.

In the fall of 1870 H. C. Ash, C. F. Lang, and F. Place made settlement on the western side of the county. They were joined the next year by James A. Childs and brothers, and Childstown was founded, which is now surrounded by a thrifty and enterprising class of Russian Mennonites.

The next settlement was made in the southeastern part of the county, in the spring of 1871, by E. W. and M. G. Laird. William Lowrie, ____ Hammond and William Robinson. These sturdy pioneers were followed by others of equal enterprise. New settlers kept coming in and the town of Centerville is the result.

Here the first marriage in the county was solemnized; William Robinson being the groom and Mrs. Hammond the bride. In 1871 Messrs. Morgan and Adams settled on the Vermillion, at a point known afterwards as the town of Finlay, but not having the necessary perseverance they left for older settled regions.

They were succeeded in 1873 by Rev. J. J. McIntire, Eugene Burgess, and shortly after by J. J. Shurtliff, W. W. Hollenbeck and a large number of others.

In the summer of 1872 Messrs. J. W., P. H. and D. C. Turner formed a settlement on the east line of the county and founded the town of Turner. Being enterprising men, they were not long in forming a good settlement in one of the richest valleys in Dakota. Here in the next year J. W. Turner, better known as "Father Turner," whose name the county bears, built a good flouring mill.

In 1874 J. F. Allen and Mr. Ellerstone formed a settlement in the northern part of the county, called Allentown. They were followed by a few friends, and later on by a large colony of Mennonites.

Of the early settlers a few have left for other countries and climes; some have crossed the "dark river," but by far the greater number remain to enjoy the fruits of their hard labors, and can to-day look with pride upon what a few years ago was a wild prairie, now covered with well-cultivated farms and pleasant homes.

THE PRESS---The Swan Lake Era was established at Swan Lake by H. B. Chaffee, the first issue appearing on the 28th of October, 1875. On the 5th of April, 1878, William H. Gardner purchased the paper and changed its name to the Swan Lake Press. On the 19th of October, 1878, Mr. Gardner disposed of the paper to Charles F. Hackett, who changed the name to the New Era. The publication was continued at Swan Lake by Mr. Hackett until December 6, 1879, when he removed it to Parker, in which, place it is still issued under the same management.

The second paper started in the county was the Marion Junction Gazette, published by M. A. Fuller. The first issue appeared in July, 1879.

The first issue of the Marion Sentinel, published by J. E. Hazlett, formerly of the Lennox Independent, bears date January 7, 1882.

The next publication was the Turner County Herald, printed at Hurley and edited by W. C. Brown. The first issue appeared May 3, 1883.

The first issue of the Centerville Chronicle, published at Centerville by T. J. Clark, bears date June 14, 1882.

The Dakota State Record, published at Parker by Alva Hand, is the last venture in the newspaper line.

PARKER is beautifully located on Section 17, Town 99, Range 53. The west branch of the Vermillion River passes a few rods west of the town, and from the bluffs on the river banks the iron horse can be seen for a distance of fifteen miles. The town was laid out by Messrs. Kimball and Sanborn, in 1879, and the first settlers on the site were George W. Howard, J. M. Simerson, W. W. Robbins, C. G. Pratt, M. T. Howard, L. Gilbert, S. Hayward, H. H. Schafer and others. the first store building was erected by G. W. Howard for a hardware store, and during the month of August a hotel was built by Orange Still.

CHURCHES----During 1880 the first church building was erected by the Presbyterians at a cost of \$1,000. This society was organized by the Rev. J. B. Currens during the year 1879.

The Baptist society was organized in the fall of a880, and subsequently, in 1883, a church was erected at a cost of \$1.500. The first Sunday school was organized by this society in October, 1879, with H. O. Newby as superintendent.

The Methodist Episcopal society was organized in August, 1881, and a building erected at a cost of \$1,500. The Episcopalians and Disciples also have organizations.

SCHOOLS----The school-house was completed in December, 1879, at a cost of \$2,000. The first teacher was I. N. Alberty.

There are good working lodges of A. F. & A. M. and the A. O. U. W., as well as a Grand Army post.

The first bank in the county was established at this point in February, 1880, by Messrs. Gale & Stone. The firm now consists of G. W. Stone, the managing partner for Gale & Stone, L. A. Grant, of Des Moines, Iowa, formerly president of the N. E. L. & T. Co., and A. G. Stone. They transact a general banking business, buy and sell foreign and domestic exchange, discount bills, make collections, etc.

The town was incorporated in January, 1883, by an act of the Legislature. The first officials were: Mayor, William M. Morton; George W. Stone, Treasurer; I. Kleisby, Clerk; Gustave Gilbert, L. Gilbert, W. W. Robbins and J. R. Ward, Aldermen.

Parker is one of the brightest and neatest looking towns in the Territory, with a population of 500 or 600, and growing rapidly. All lines of ordinary mercantile pursuits are thoroughly represented. The Dakota Central Railway was finished to this point in August, 1883, giving it a second direct route to Chicago.

MARION JUNCTION----This town was laid out by Gen. John D. Lawler, in August, 1879, and named in honor of the daughter of S. S. Merrill, of Milwaukee.

Among the first to settle here were F. Rocher, C. H. Flowers, John Ryan, John McNamee and George L. McKay. It is situated at the junction of the main line and the Running Water branch of the Chicago, Milwaukee & St. Paul Railway, and has in the neighborhood of 700 inhabitants. A very fine school-house was built in 1879, at a cost of \$2,000. The Catholics and Presbyterians have church edifices. The German Lutherans hold services in private houses, or wherever they can find room. The village was organized in September, 1881. The first officers were, Trustees, Jacob Hieb, Frederick Roeber and Joseph Bingenheimer; Clerk, T. Schriber; Treasurer, E. Rieff; Justice, James Christian.

HURLEY----This town was laid out by the Western Town Site Company, represented by Albert Keep, on the 19th day of March, 1883. It is situated on the line of the Dakota Central Railway. The property was purchased from C. A. Near and Rowland Rees. The former owned the northeast quarter and the latter the northwest quarter of Section 27, Town 98, Range 53. In May, 1883, T. H. Judson platted an addition to the town, which consists of forty acres in the southeast quarter of the same section. The railroad grade was finished to this point in July, 1883, and the first regular train reached the town in the month following.

The first building was put up in January, 1883, before the town was platted, by R. Rees, who put in a stock of hardware. In February, 1883, J. Swan moved in a building from a point two miles south of the town site, and opened a boarding house. A steam elevator, with a capacity of 20,000 bushels of grain, was erected during the fall of 1883, by Messrs. Lamsom & Farnsworth, of State Centre, Iowa.

During the summer of 1883, the Baptists and Episcopalians built church edifices. In February, 1884, the Turner County Bank was opened: E. May, president; A. May, cashier.

The village was incorporated October 16, 1883, the vote on that day standing thirty-two

for incorporation and five against. The first village election took place on the 3d of December, 1883, with the following result:

Aldermen: A. B. Vinton, D. Dwyer, Sr., and M. S. Robinson; Clerk, Rowland Rees; Treasurer, P. Allen, Assessor. G. A. Near; Justice, J. Allen; Marshal, J. T. Hogan.

Hurley presents a substantial appearance, and there is no doubt that in a few years its population of 200 people will grow into as many thousands. The beautiful and fertile Spring Valley region lies just to the west of the town, and the time is not far distant when the products of this district alone will support a populous town.

CENTERVILLE----The Western Town Lot Company purchased the southeast quarter of Section 23, and the southwest quarter of Section 22, in Town 96, Range 52, sometime during the Fall of 1882; and in March, 1883, the town was platted. During the summer of 1883 F. M. Rowley platted an addition of fifty- one acres in Section 23, and J. Coleman an addition of forty acres in Section 22. About the 20th of March, 1883, the first building was commenced by W. H. Haseltine. It was erected on the corner of Broadway and Garfield streets, and occupied as a drug store. Immediately after W. H. Douglas moved his store building from the old town of Centerville and located it on Broadway. Messrs. Lowrie & Ayer built their hardware store, and during the summer of 1883, building was continuous. The population of the village is about 250.

The bank of Centerville was established in May, 1883, officered by A. Rowell, president, and H. P. Sweet, cashier.

The German Presbyterians and Baptists erected churches during the year 1883. The post office was moved from the old town site to the new town in June, 1883. The town is beautifully situated about forty rods east of the Vermillion River, in one of the most fertile regions in the Territory, thickly settled by a good population, that has resided here from ten to fifteen years. Large and well cultivated farms, surrounded by handsome groves, show that the region is prosperous, and the town commands an excellent trade.

SWAN LAKE, the present county seat, is finely situated on the bank of Turkey Ridge Creed, and near the beautiful Swan Lake, in the midst of a fine agricultural district. It is about two and a half miles from the Dakota Central Railway in an air line. It contains the county offices, and one general store, two church organizations, Methodist and Presbyterian, and a number of dwellings.

The place was settled in 1877, and Joseph Allen, now a prominent business man of Hurley, was the first Post-master, locating there in April of that year. He removed to Hurley in April, 1883. The building of the new railway past its doors carried most of the business formerly transacted here to more favored points.

Other post-offices are DANEVILLE, TURNER, IDYLVILDE, SPRING VALLEY, CHILDSTOWN, HOME, SHANK and LOST LAKE.

Winnebago Village History

History of Winnebago Illinois

Written by Barb Kinison

The first settlement was actually at Westfield corners because that was where the stagecoach route passed through.

The first settler in the Winnebago Township was David Adams Holt in 1835.

Most of the early farmers came from New England and New York, with some coming from New Jersey, Pennsylvania and Ohio.

Roads of the time were dirt tracks, with the 'State Road' from Rockford to Freeport passing through the northern tier of sections of Winnebago Township.

The first school in Winnebago Township was established at Westfield in 1839.

The school house was raised in 1844 at Westfield Corners.

The organization of the Methodist church at Elida, (Winnebago), was also at Westfield corners.

Elijah Holt built the first house in 1840 and it is still standing in Winnebago Township on Montague Rd. which is now part of the Severson Dells Forest Preserve, a marker was placed there by the D.A.R. in 1981.

Most of the first land claims for that area was \$1.25 an acre in the south end of the township, because it was wooded instead of prairie land.

In July of 1841, the first two purchasers of land in Winnebago Township were Henry Schoonmaker and Joseph Folsom. Mr. Folsom was a veteran of the 1812 war. Both men purchased this land from the Galena Land Office .

In July of 1846 the organization of the First Congregational Church of Winnebago met at Westfield.

In 1849 Winnebago was officially named Elida.

In 1850 there were 499 residents, most being farmers. However, Winnebago could boast 1 minister, 1 molder, 2 blacksmiths and 4 mechanics.

The Chicago & Galena Union R.R., encouraged by Chicago merchants in all the urban communities, arrived in Rockford on the east side of the Rock River in August, 1852. Each town at the west end of the line as it continued west became a magnet of growth, motivated by the massive leverage of farmers arriving with their livestock, or wagonloads of produce ready for delivery to market.

Most of the site of the future village of Winnebago was sold at \$80 per acre to a group of men who then laid out where the railroad would pass.

In 1853, then the Chicago & Galena Union railroad extended to the west from Rockford to Freeport. This track forged through both Elida, (Winnebago), and Pecatonica, igniting local growth.

In October of 1854 the villages train station was laid out, and by rights was the center of attention. The depot attracted commercial development, warehouses and stockyards emerged near the tracks.

Also at this time, the Old Stone Church building was being used by the Congregational church and is now the present site of the Winnebago Cemetery.

In January 1855 Joseph D. Warner, who was the first railroad station agent, finished his house on South Elida Street.

Six months later in June, the Middle Creek Presbyterian church was built for around \$2100 at Montague and Kendall Roads. By the time fall rolled around the first store was up, running, and owned by N.D. Warner, and the first school class met in the Winnebago village at the Methodist Church. Last but not least the Westfield M.E. church was having services in their own building as well. The first Physician to arrive in Winnebago was Dr. Wesley Rush Gearhart; who practiced medicine here for 30 years.

The citizens of Elida petitioned to change the villages name from Elida in favor of Winnebago.

In 1858 a frame school building was built on the southeast corner of Soper and Benton streets, a bargain at \$1325.

The Edson was Winnebago's first hotel. It was built in 1859 on the southeast corner of Benton and Main Streets, later the first public hall was added thanks to D.C. Lewis.

The Middle Creek Cemetery was established in 1859.

The year 1860 saw Winnebago township's population at 1002.

The village itself had 276 residents, and employment ranged from physician to shoe-maker, teacher to postmaster.

In the 1860's, it was the policy of temperance leaders not to permit alcohol establishments in

the village; this was later mandated by a local option vote.

During the Civil War, Winnebago sent 150 soldiers and 2 nurses. One local mother, Mrs. Marchant, sent 10 sons for military service.

1868 saw a new 4-room school house completed at the southwest corner of S. Benton and Winnebago Streets. The First Presbyterian church was initiated in Edson Hall by the Rev. Braddock of Middle Creek church, just north across the street from the new school. Also the Free Methodist church of Winnebago was organized, and that church was built on the northwest corner of Winnebago and South Benton Streets.

In 1870, the census counted 1428 residents, these were not divided into village and rural categories because growth had now slowed.

The Winnebago High Schools first graduation class was in 1874.

1875 was the founding year for the Winnebago Farmers' Mutual Fire Insurance Co., and the Westfield Creamery, which sent butter for judging at the Centennial Fair in Philadelphia Pa. in 1876.

In October of 1876, Local Masonic Lodge #745 of Winnebago was established.

The village was formally incorporated in 1878, the village's population was almost 600. D.C. Lewis was elected Village President, and Reuben Alworth, clerk. First orders of business included immediately installing a windmill and stock tank on E. Soper St., (across from the present village office), followed by a local option to prohibit alcohol sales.

The organization of the Winnebago High School Alumni began in 1879.

In 1883 the Congregational church was built on S. Elida St.

The Winnebago Reflector was the village's weekly newspaper, and it was established in 1887. The Reverend Chenoweth who was the Congregational minister, started it, and its editor was Charles Tritle.

At the end of the 1880's the Illinois Central railroad built its competing east-west line through the center of Winnebago Township paralleling the Chicago & Galena Union.

The offers for passenger and freight services were the same, with grain and stock loading, late grocery and gasoline outlets.

Then from 1903 thru 1930, the village was served by the Rockford & Interurban RR., an electric line with frequent passenger service from Rockford or Pecatonica and Freeport. This line also brought electrical power into Winnebago.

At this point in time laborers started commuting to work at an ever-growing Rockford, and many more residents did their shopping in Rockford rather than locally.

Rides from Winnebago to Rockford were .25.

Fires obliterated the S. Benton & Main St. business buildings on one side in 1890, and then a year later destroyed the business buildings on the other side of the street. At that time property in country villages was of little value, so much of the damage was not covered by insurance. Nine years later there would be another disastrous fire downtown.

In December of 1893, the Township Hall was built with township funds and then dedicated.

In 1897 the Winnebago Produce & Supply Co. was established with local stockholders.

On August 22, 1899, the first Soldiers' Monument was dedicated at the Winnebago Cemetery on Westfield Rd.; John M. Mitchell led in raising the \$800. needed.

1903 brought telephone service to Winnebago, at first there was two competing companies,

but they finally interconnected.

The Winnebago Post Office started delivery to rural routes in 1904. The two routes covered large sections of Burritt and Seward Townships as well as Winnebago.

The State Bank of Winnebago was established in its new building on the site of the Edson Hotel in 1912, it was succeeded by the People's State Bank in the late 1920's, and that bank fell under in 1932-33.

January 1914 The volunteer fire-fighters were organized and established in the village, and Winnebago furnished a fire engine pulled by horses in December of that year.

During this time period the churches in Winnebago dwindled from four down to two.

First Presbyterian replaced its building with a brick edifice in 1914, and The Methodist Church purchased the Congregational building and parsonage in 1920.

In August, 1925 the Winnebago Consolidated Schools' new brick building was dedicated, this building was on S. Elida St. In 1926 the first school yearbook hand-written by the students was issued.

After WWII the population of the village started growing again. Most of the vacant lots were beginning to disappear as homes multiplied. Costs were still fairly affordable,

so Veterans and wartime workers could easily provide for their expanding families.

By 1948, the State had completed the cement road through the village to U.S. 20.

In turn Winnebago expanded by putting in the water system, (1950), and sewer plant,(1958). The first zoning dictum was also a result of the village's escalated growth.

After a handful of years, the over-crowded high school was definitely feeling the pinch, and a new building was put up at the north end of town and dedicated in 1959.

The other schools in the village followed suit replacing their undersized facilities.

In 1972 a volunteer library was rejuvenated by the Jr. Women's club and in 1982 the public library district was established, the building itself was complete for use in 1988. You can find the library on N. Elida St.

Unlocking Secrets in the 1930 U.S. Census

Because the 1930 U.S. Census offers comparatively recent information, you're more likely to find familiar this database than in other resources.

This census provides a great starting point for finding basic information about ancestors. Census clues can previously unexplored information such as livelihood and family relationships.

Example of an actual census image

View the actual 1930 U.S. Census image to find interesting and important details about your ancestors.

ADDRESS	NAMES	FAMILY RELATION	PERSON	PLACE OF BIRTH	PARENTS	OCCUPATION
11	Edw. Debuhr	Head	Male	Colo	Colo	Colo
12	Martha E.	Wife	Female	Colo	Colo	Colo
13	James E.	Son	Male	Colo	Colo	Colo
14	William E.	Son	Male	Colo	Colo	Colo
15	Marie E.	Daughter	Female	Colo	Colo	Colo

Tips for using the 1930 U.S. Census

Try a different spelling

A little known fact about the online census is the "Soundex" feature. Keywords are often categorized by the last name, meaning you might find additional information by using more than one spelling.

Watch for neighbors

When recording census information about your ancestors, remember to look at the families listed immediately before and after that ancestor. Often, family members would live near one another, and even if they don't appear (a different married name, for example) they may be part of the same family.

Print and preserve

Transcription helps with fact checking and provides easy-to-read reference sheets. Print a copy of each individual census record then transfer the information to our [free census chart](#) (PDF 136K). [Get Adobe Reader](#).

I don't have any anecdotes about Orlin. I just remember him as kind of a tag-along playmate when we were young. I think that Doris and I were close as we got older and Orlin had his own friends he played with. My recollections are that he was quiet and somewhat frail—not athletic or rough and tumble. Of course, I remember the trauma of him being sick and his death. Those scenes of him are indelibly etched in my mind. Dad took Doris and me (although she doesn't remember this) to the furniture store to help pick out the casket. I remember Dad saying something like "don't you think this one would be a nice place for Orlin to lay." My 11 yr old brain couldn't comprehend that. He lay in our house for at least one night, maybe two and the funeral was in the house. Then I remember the long cold trip to Parker for the burial. Someone had heated bricks to put at our feet and we were smothered in blankets. They wouldn't let us get out of the car at the cemetery even though I wanted to—it was just too cold. You were too young to understand any of that and I don't think there was any attempt to explain anything. You just wondered where he went. Joan must have been the baby when all of that took place, so we were probably paying more attention to her than to you or Orlin. Kids can get "lost" in a big family unless they are the oldest or youngest.

We have a new name to add to the book. Kristin gave birth to Emma Marie on 4/19/04 at 11:30 p.m. She weighed in at 8 lbs 15 oz—a big one. Interesting that unknowingly they gave her both of our grandmothers names.

I did talk to Jack Peterson on the phone—I had to hang up before he was ready because we were in the midst of a severe thunderstorm. He said he had been in contact with you. He talks about his kids—he had spent most of the winter with Julie in Calif. Now he was going to open up the lake place. Sue is moving back to the Twin Cities and has a job with Target Corp.

I'm feeling good and hope it lasts. Love Viv

The DeBuhr Story.

Your great-grandparents, DeBuhr, came to America from Germany in the spring of 1869. Their oldest child, Mary, who is your grandmother Jackson was born that fall. Grandfather's brother, Uncle Ed, had preceded them to America and helped them establish themselves in Illinois.

There they lived until about 1891 when they went west to South Dakota. First they lived west of Canistota. About 1901 they purchased a farm near Burbank, S.D., in the Missouri River Valley, where they lived until they retired. The last years were spent at Parker, S.D., where they are buried.

All of your grandmother Jackson's early life was spent in Winnebago County, Ill. She attend country schools and Rochford High School. She learned the art of dressmaking as a girl and worked at it for many years, even after marriage.
